Bill Morrow Celebrates 95 Years

Fountain of the Sun Garden sign.

Here’s Bill (center) with his girls (l. to r.): Daughters Patsy, Claudia, Bill, wife Charlotte, and daughter Penny. (Photos by Jane Kumler)

FOSA’s own Bill Morrow, long-time and well known resident, recently celebrated 95 years with his favorite girls: Wife Charlotte and daughters Patsy, Claudia, and daughter Penny.

If you don’t already know Bill, he’s continually at the Pancake Breakfasts, Hamburger Feeds, and most every function selling tickets to whatever’s going on in the park…he’s quite the promoter! For many years, he took care of setting up tables and chairs or audience seating for the various events held in the Activity Center and also was in charge of the Casino bus trips to Payson. No matter what the chore, Bill was always there to take care of it.

FOS will be forever grateful for his contributions to our community. Congratulations, Bill, on this your 95th birthday and knowing you, we’re sure you’ll be around for 100!!!

Lions FLY THE FLAG Program Makes Presentation to F.O.S.C.A.

Don Stoterau, Lions President (far right) presents FOSCA President Carol Porath with a symbolic flag. Other FOSCA Board members were also present (l. to r.) Barbara Stiehl, Burt Oien, Dennis Jones, Kit McCormick, Sharon Jandorf, Jera Cooperman and President Carol. (Photo by Jan Olson)

By Don Stoterau

The Lions Club FLY THE FLAG program is moving forward at pace very satisfying to all club members as well as many others in the community. Residential subscribers to this program have reached the 400 mark. As a result of this milestone, Lions President Don Stoterau presented to FOSCA President Carol Porath, a symbolic flag representing all the flags that have been donated to FOSCA. For every 100 flag subscribers, the FOS Lions donate 12 flags to FOSCA to line the 80th Street entrance to our community. If you are not yet a subscriber, now is the time to get on board. This program benefits the community—just look at the new Fountain!

Many Flags Flew in F.O.S.

By Ruth Wilson

Many flags waved in the breeze for several days in honor of Flag Day, June 14th, at our new Fountain & Garden and throughout the community thanks to our F.O.S. Lions. I don’t know about you, but I was so proud and humbled to drive through the park seeing all the flags flying…it was very impressive!!! (Photo by Jan Olson)
Manager's Message

By John Miller, F.O.S.C.A. Manager

America’s value of life, liberty and the pursuit of happiness are a source of inspiration around the world and we have made these values the foundation upon which our country is built, proud citizens of the United States of America, let this Independence Day be an opportunity to celebrate these values that we hold so dear.

The last two months many projects have been completed around the community in an effort to update and repair facilities and infrastructure.

A recent council meeting has been purchased for the Fitness Room, the NuStep T4 is one of the most popular recumbent cross trainers in the healthcare and fitness industries, and it has become the leading product of its kind for home users. Its patented design combines a comfortable seated position with a smooth stepping motion. It provides simultaneous upper and lower body motion to work all the major muscle groups, helping all users to burn calories, build strength, and improve their overall cardiovascular fitness.

To be sure to stop by and check out this new equipment; better yet don’t just stop by — stay awhile and see how good it works.

Street maintenance was completed at the end of June with several areas being seal coated and re-striped; we appreciate your patience with these efforts to maintain the streets.

New carpeting and tile were installed in the FOSCA Office and the FOSHA Office also received new carpeting. These were the last areas to receive new flooring in materials that match the flooring installed in the other rooms of the common area building in previous years.

Three HVAC units were replaced, two in the Fitness Area and one that serves the Lakeside Room in the Administration Building. These were the last original equipment units to be replaced and the association should realize savings in energy costs and more consistent heating and cooling of the rooms from this point forward.

Other projects planned for this summer include new parking lot paving in the Activity Center Parking lots and in the back lot behind the Administration Building, repairs to building facia and computer system upgrades. Efforts to establish a new system of access for the Pool Area, Hillsball and Fitness Area have delayed the issuing of new keys for these areas. I will have more information on this next month.

We welcome Securitas as our new security company and Jim Neville as the new Officer in Charge (OIC). I encourage you to say hello to Jim and the other officers. Read more about Jim and our new security at “In The Spotlight” on Page 7. If you have any questions or concerns regarding security issues, please call me at (480) 380-4000 or email me at jmh@fosa-ar.com.

Have a safe and happy Independence Day.

Summer is in full force and the 4th of July is upon us. I would like to wish you all a Happy 4th of July and hope your celebrations are safe and enjoyable. The FOSHA office will be closed on Monday, July 4th for this special holiday. The office will also be closed several days throughout the summer while I take a few days vacation from time to time.

During June, FOSHA undertook several street projects. The first week Richards & Sons Asphalt sealed several streets which helps preserve the asphalt and give the streets a longer life. The last week of May Phoenix Paving removed and replaced the asphalt on several streets and cul de sacs and the manholes were reset. Both projects went very well and I would like to thank all those homeowners on several streets and cul de sacs and the manholes were reset. Both projects went very well and I would like to thank all those homeowners who cooperated while these projects were completed. I would also like to thank the Board members who went door to door handing out our notices so everyone was informed of the street projects. All the streets look great and FOSHA will undergo another major paving project in 2 years.

During June, the palm trees on all the cul de sacs were trimmed. FOSHA is asking all homeowners with palm trees to please see that they are trimmed by the end of the summer. They have now bloomed and are in need of trimming. We have seven tree trimmers that will trim them, do a good job of cleaning up after themselves and are very reasonable. If you need some references, please call the FOSHA Office at 838-1202. All homeowners of palm trees that have left for the season and did not secure a caretaker (and thus many) are receiving angry letters along with pictures of weed property. Unfortunately, it takes longer to get these properties taken care of because of the time element but not assured, this office is doing all that it can to get the blemishes removed and to spread the word of finding your own caretakers and if they can’t find it then, they will leave.

FOSHA is also receiving complaints about WEEDS. I have addressed this issue many times in past articles but many residents continue to ignore the notices they are given. It is not fair to the rest of the residents of FOS.H.A. that the good care and pride in their properties. Those property owners that have left for the season and did not secure a caretaker (and thus many) are receiving angry letters along with pictures of weed property. Unfortunately, it takes longer to get these properties taken care of because of the time element but not assured, this office is doing all that it can to get the blemishes removed and to spread the word of finding your own caretakers and if they can’t find it then, they will leave.

ABOUT GROWING OLDER
(By Will Rogers)
1. Eventually you will reach a point when you stop lying about your age and start bragging about it.
2. The older we get, the fewer things seem worth waiting in line for.
3. Some people try to turn back their odometers. Not me; I want people to know ‘why’ I look this way. I’ve traveled a long way, and some of the roads weren’t paved.
4. When you are dissatisfied and would like to go back to youth, think of Algebra.
5. You know you are getting old when everything either dries up or leaks.
6. I don’t know how I got over the hill without getting to the top.
7. One of the many things no one tells you about aging is that it’s such a nice change from being young.
8. One must wait until evening to see how splendid the day has been.
9. Being young is beautiful, but being old is comfortable.
10. Long ago, when men cursed and beat the ground with sticks, it was called witchcraft. Today it’s called golf!

Thanks to everyone who attended and a special thank you to those who were “brave” enough to get up and sing some tunes.

New Frontiers members are being treated to many monthly meetings and fun classes at the Active Adult Centers at 247 N. Macdonald St. and August. This will take care of any classes you register for in the fall and spring semesters of the Active Adult Centers.

We will meet July 12, 2011 at 6:30 p.m. Our meetings are held in the Copper Room at the Wom-ans Center in Banner Baywood Medical Center, 6644 E. Baywood Avenue in Mesa on the second Tuesday of every month from 6:30 to 8:30 p.m.

We plan changed during the past month on June 14th with our speaker, who was Heather Paulson, a Naturopathic Doctor. One of our Bosom Buddies is so thrilled with her care with Dr. Paulson while having radiation treatments that she wanted her to come and talk to us. I’m sorry I didn’t get the article in the June Sun Times changing.

Our featured speaker for July will be our own F.O.S. resident, Jane Osborne, who will give a re-port on the book “Passage in Caregiving” by Sherlly Sheedy (2006). Sheedy has written many different Passages about different ages and stages of life.

There’s also a time for sharing and asking ques-tions. It’s wonderful to get help from others going through the same situation and who have survived, so come and help others, too. Refreshments are served.

Please contact Jan Kander - 480-986-3977, Betty Baerg - 480-358-0198, or Jane Osborne - 480-984-1583 if you need a ride.

Lions Changing of the Guard

By Jerry Hanson

The Mesa F.O.S. Lions held their charter night as a new Lions club almost 18 months ago and the first slate of officers continued to serve through June 30, 2011, a period of dynamic growth for the club. Officers for 2011-2012 were installed at the June meeting and began their one-year term on July 1st.

Our two new lions officers are: Jerry Hanson, President; Gene Gresham, 1st Vice President; Jerry Favero, 2nd Vice President; Robert Franz, 3rd Vice President; Darlene Jones, Secretary; Eve Mueller, Treasurer; Diane Bode, Lion Tanner; Frances Hodson, Tail Twister; and Dan Smith, Elaine Mikkelsen and Kit McCormick, members of the Board of Directors. As Past President, Don Shatowsky will remain on the board.

Also the FOS Lions are making a splash in Lions both district and state-wide. Kit McCormick was elected to serve on the ALERT (Arizona Lions Eyeglass Recycling Terminal) Board and Don Shatowsky was elected to the C. Kirby Stathen Board sponsoring exchange students each summer. Both were elected in April. Jerry Hanson was appointed to serve on the Board of Directors for the Lions Foundation of Arizona.

We have had an eventful and dramatic beginning. Membership has grown from 44 charter members to 68 current members. Residents see the Lions at most FOS activities like the Pancake Breakfast, Swap Meets and Softball Hamburger Feeds. They also sponsored Cabaret Night and a Chili Luncheon. They’ve brought in the Lions vision trailer for the Health Fair and held a Casino Night.

Most recently we have installed the beautiful new fountain and memorial garden at our front entrance. Planning is underway for dedication, patriotic music and a free lunchsum for Veterans Day on 11/11. The Lions continue to sell pavers (see any Lion) and seek donations to finance this great addition to FOS.

To do all these projects and many other contributions to our community as well as Lions charities, we continue to have “fun” raisers headed by our great “Fly the Flag Program.” Flags are placed at the main entrance and in front of subscribers’ homes on 6 patriotic holidays. Plans are in the works to make next year even bigger and better with the Lions bringing more and new activities to FOS.

Lions Class Thanks Inge Pierce

By Sharon Oien

The Yoga group at Fountain of the Sun surprised Inge Pierce when they walked her across the street after a class to show her the paver in the new Fountain of the Sun Garden, personalized with her name. Because of Inge’s dedication and leadership, yoga enthusiasts start their day together, Monday through Friday.

In 1983, Inge and her husband, Harold, retired and came to F.O.S. from Portland, OR. Until then, yoga was not a part of Inge’s life; she was too busy raising a family and working. However, shortly after arriving, Inge discovered the Yoga Class.

Confession

By Deanna Anderson

I am having a love affair so intense,
It is baffling in the sense
That it is happening to me.
Never have I dreamed this would go so far.
It grows as if through the height of it this could reach a star,
Bringing me back to earth, just in time.
To cause me to think the fact that this is mine!
It began so many years ago,
Innocently and in my youth. I considered it my due.
But, early on, it became very special,
And yet I always knew.
This is the blessed one, of whom I can truly say,
I love you now and always,
My beloved U.S.A.
God bless America!

FOSCC 9 Hole Ladies News
By Audrey Vaughn
I can’t believe that I am writing the July News already and it hasn’t even been seriously hot yet. Granted I have to write in early June but cool weather through May is very unusual. You guys who went home to escape the heat missed a delightful spring!
The 9 Hole Ladies are about to complete a ten week Eclectic Tournament in which the winner will have the lowest score by counting the best score shot on each hole during the duration of the tournament. My hopes are slim to none but it is a fun event. I would like to finish featuring our officers this month by telling you a little bit about our Secretary, Jan Olson. This is Jan’s second year acting as our secretary and she does a wonderful job. The secretary’s job is not an easy one as listening to the tape of meetings and writing up minutes is time consuming. Jan also acts as an unofficial photographer for us. The pictures that accompany this article are mostly taken by Jan and often developed with her own money. Thank you, Jan, for all you do!

Jan was born in Seattle, WA and still returns there for 3 months in the summer. She worked at Safeway for 21 years, starting as a checker but moved into the Photo and Sound Department. Jan loves to travel and has traveled all over the world. Her family camped and hiked all over the U.S. and her husband, Bruce Gilbreath, were charter members of the Country Club and Jan took up golf in 1994. She has developed into a very good golfer and has been our Club Champion for two years in a row. She also competes successfully in the Horse Races with her partner Bruce Wilson. Her husband, Bruce, passed away and in 1998 Jan married Ray Olson. Bruce and Jan got into the rental business by buying houses needing remodeling and doing the work themselves. When finished they rent them out and Jan still manages 6 rentals. Jan and Ray like to cruise and both go to Fitness Works 2 or 3 times a week to work out. We are lucky to have Jan in our 9 Hole Ladies.
Our sympathy to Liz Geiszler who lost her husband Jim in early May. We hope she will be back with us this coming season.

Alexina Lord Edwards, born Feb. 1, 1926, went to join Savior on June 9, 2011, age 85. She was born to Harry George and Minnie Louise Lord in Lorimor, IA. Upon graduation from Lorimor High School on May 13, she was swept away by the love of her life, Ralph Frank Edwards. They were married May 17, 1943, and went off to serve in WWII. She accompanied Ralph to Myrtle Beach, SC, awaiting his T.O. assignment. While there, she worked as a linotype operator for the local newspaper, learning the trade from her parents who owned the Lorimor Journal.

Alexina was always very involved in the community, being a past Worthy Matron with Eastern Star and still active in the organization; was Mother Advisor for the Rainbow Girls; a member of the Lorimor Breakfast Club; was a 30-year member of the Lions Club; and served on the Board of Trustees for 8 years. She also was a bell ringer for the Lorimor Shuttle, an active member of the Ex-POW group, Alex served 8 years as the Adjutant and attended many activities and meetings with Ralph. Her last 15 years were spent living at F.O.S., which she dearly loved. She was preceded in death by her beloved husband Ralph in 2008 and nephew Evan in 2009. She is survived by children, Leslie Joan and Colin Lowell. In 1950, they moved to Northfield and many winters in F.O.S., Mesa, AZ.

Alexina was an owner/operator of grocery stores in Willmar and Tracy and earned an economics degree at St. Olaf College in Northfield. Bill served in the U.S. Army Corps during WWII, serving in the Pacific. Upon his return, Bill worked at several grocery stores in Willmar and Tracy and later a sales rep for Luxor Lighting Corp.

He was also a member of the Tracy Lutheran Church Choir. But mostly, Bill was a barbershop singer in a number of choruses and quartets. His favorite song was "The Gay Nineties," and he was in the Uncalled Four. In Arizona, he sang with Men of Leisure and Off Broadway.

Alexina will always be remembered for the many birthday and anniversary cards she sent to family and friends, as well as a multitude of get well and thinking of you cards. She enjoyed needlework and made many quilts, including hand-made quilts for family and friends and as raffle fund-raisers for F.O.S. Country Club.

Services were held Sat., June 18th at Desert Chapel United Methodist Church, Apache Junction, AZ, with a burial service at a later date in McDivitt Grove Cemetery, Des Moines, IA. Memorials may be sent to the Red Cross in Alex’s name.

Gary Feldt faithfully carries out the prize winners. May 13 it was Kumlers, Muellers and Frankus. May 20th was Schulte, Hall and May 27th, Kummer and Mueller. You’ll notice how often Art Mueller, whom Gary Miller calls “the winner yet Gary never gives him credit. All in fun though and Art is a great sport.

Several of our members played in the Night Golf and some were winners. Darlene Albertson was on the first place team, Houston and Mike McDivitt on the second place team and Kummer came in third. Night golf is very different but a lot of fun.

We need to keep all these friends in our prayers.

#### ANNUITY OWNERS READ THIS!

Many annuity owners lose 50% of the value of their annuity when it pays off. Will this happen to you? It’s true. Annuities and IRAs can be double-taxed assets (subject to income taxes PLUS estate taxes). After estate taxes and income taxes, there can be as little as 50% of the value remaining. You can learn how to avoid the loss in the FREE educational booklet “Annuity Owner Mistakes.” The booklet is free and shows how to avoid double taxation and get more benefits from your existing annuity value.
